GEORGE GAMEL RAMZY

IT Infrastructure Manager | Network & Systems Engineer

Benha, Al Qalubia, Egypt · +20 122 261 5420 / +20 122 766 8666 · georgegamelr@gmail.com

Open to relocation — Germany / Ireland · EU Blue Card eligible via the IT-specialist route (20+ years documented ICT experience; no degree required under §18g).

PROFESSIONAL SUMMARY

IT Infrastructure Manager with 20+ years of hands-on ICT experience across factory, hospitality, retail, corporate and large construction environments. Specialist in enterprise virtualization (VMware ESXi), Windows Server administration, Cisco routers and switches, multi-site LAN/WAN design, storage, and disaster recovery. Proven record of building complete IT infrastructure from the ground up for new business openings — including 5-star hotels and 12+ restaurant branches — and leading cross-functional technical teams and vendor relationships. Recent work adds a strong modernization edge: designing and deploying AI Agents and n8n automation workflows, and authoring a company-wide AI Automation Department strategy adopted at a multinational contractor. ICT profile maps to ISCO groups 133 / 25, qualifying for the German EU Blue Card IT-specialist route.

KEY TECHNICAL SKILLS

Virtualization & Servers: VMware ESXi (hypervisor & VM administration) · Windows Server 2016 (Storage & Compute, Networking, Identity)

Networking: LAN/WAN design & administration · Cisco routers & switches (CCNA-track training) · site-to-site connectivity · wired & wireless

Backup, Storage & DR: Veeam Backup & Replication · storage management · disaster recovery · daily/monthly backup operations

Security & Monitoring: Network penetration testing (NPT) · surveillance systems (DVR / IP cameras) · user access administration

AI & Automation: AI Agents design & deployment · n8n workflow automation · Generative AI tooling · AI-assisted scripting

Leadership & Delivery: IT team leadership · vendor & contractor coordination · new-site IT rollouts · procurement & PO management · reporting

PROFESSIONAL EXPERIENCE

LAN Administrator — Consolidated Contractors Company (CCC) *Jan 2025 – Jun 2026*

- Led full IT operations for the Mountain View iCity project — procurement and PO management, vendor and maintenance-contractor coordination, daily/monthly backups, and user access administration — while supervising a 3-person IT team; later extended to support a new project in Ras El Hekma.
- Installed and managed LAN connectivity and configured AutoCAD / ZWCAD engineering environments across company sites; administered storage and backup systems and troubleshot hardware across all OS platforms.
- Authored and presented a proposal for a dedicated AI Automation Department to CCC's IT Director for Egypt, Middle East & South Africa, targeting gains in speed, accuracy, cost reduction, and reporting quality for management decisions.
- Built and deployed an approved prototype of 17 AI Agents (Orchestrator, Core, Support, and Analysis agents) capable of managing an entire project workflow, plus n8n automation workflows that streamlined IT operations and improved team productivity.

IT Administrator / IT Responsible — MESH & Vision Group *Feb 2024 – Jan 2025*

- Managed IT infrastructure and network operations across two sister companies — MESH (Electromechanical & HVAC Contracting) and Vision (Engineering Consultancy) — providing unified systems administration and hardware/software support.
- Installed, configured and maintained LAN connectivity, PCs and office IT equipment; managed data backups and user account administration for both entities.

Satellite Broadcasting Technical Official — Al Karma TV *Aug 2023 – Jan 2024*

- Monitored live satellite broadcasts and resolved technical issues in real time, coordinating with directors and technicians to maintain smooth on-air operations.

Senior System Administrator — EEC Group *May 2022 – Jul 2023*

- Installed and managed VMware ESXi environments and virtual machines; administered storage infrastructure and backup systems; monitored and troubleshot hardware across all OS platforms.

Senior System Administrator — El Shark for Ceramic (Gloria) *Jan 2010 – Feb 2021*

- Planned and designed full IT infrastructure for factory and exhibition sites; established site-to-site connectivity between the Bani Suwayf factory and the Nasr City HQ.
- Deployed and administered VMware ESXi and VM environments; managed storage, backup and disaster recovery with Veeam; installed and maintained wired and wireless networks across all sites.

IT Manager — Regens for Tourist Investment *Jul 2009 – Jan 2011*

- Delivered IT setup for new 5-star hotel openings — wired and wireless networks, router/switch configuration, WAN monitoring and troubleshooting — and produced weekly IT status reports.

Support Technician — Batmos Trade for Security Systems & Fire Fighting *Nov 2006 – Jul 2009*

- Installed wired/wireless networks and surveillance systems (DVR and IP cameras); configured routers and switches and troubleshot LAN connectivity.

Support Technician — I.R.G. International Restaurant Group *Oct 2004 – Oct 2008*

- Led opening teams for 12+ new restaurant branches across Cairo and Alexandria — systems imaging, Restaurant Manager POS support, router/switch configuration, and full hardware/software troubleshooting.

TECHNICAL TRAINING & COURSES

- Cisco CCNA-track networking training — Information Systems Institute, Ministry of Defense
- Windows Server 2016 training (Global Knowledge): M20740 Storage & Compute · M20741 Networking · M20742 Identity
- VMware Virtual Machines Administration training
- Network Penetration Testing (NPT) — Information Systems Security & Hacking Institute (2021)
- Generative AI: Beyond the Chatbot & AI for Brainstorming and Planning — Google Cloud / Google via Coursera (2026)
- PMI-authorized construction-sector training (CCC, 2025): Project Management & Digital Transformation · Cost Control · Quality Management · ACONEX Document Control

EDUCATION

- Bachelor's Degree, Commerce (Banking & Stock Exchange) — Benha University
- Diploma in Law — 1999

LANGUAGES

Arabic — Native | English — Good, professional working proficiency (reading, writing, speaking)

ADDITIONAL INFORMATION

Nationality: Egyptian | Date of birth: 6 September 1981 | Marital status: Married | Military status: Exempted | Full driving licence & own car
